Why Neighboring?

To see transformation in a city as large as Kansas City our path must be:
SIMPLE – Anyone can do it
REPEATABLE – The lift must be light enough it becomes a habit
ACTIONABLE – The result works to bring change
SUSTAINABLE – The habit becomes a lifestyle
SCALABLE – The core process repeated continually reproduces itself

The pray, care, share, and disciple motion for an individual results in disciples making disciples.

The same process applied by the big C Church in a city brings kingdom of God transformation.

For the individual - it results in living every day on-mission where you live, learn, work and play. Neighborhoods, workplaces and communities are transformed by the grace of God.

For the big C Church - it results in a city that prays together, acts with compassion, confronts injustice, shares the Good News in word and deed, and brings heaven to earth.

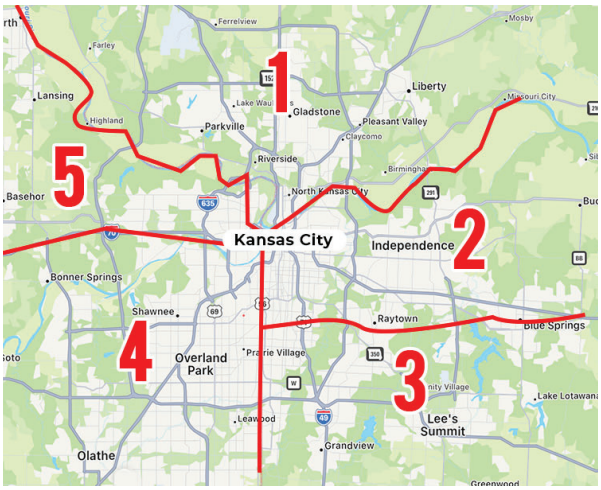
- The ability to view every individual home that your affiliated Lights have adopted, along with the progress your Lights have made with the people in that home.
- A map allowing you to view where your Lights are located as well as the overall nationwide Pray-Care-Share progress.
- The name, address, and email address of all of the Lights associated with your church.
- A promotional URL that makes it easy for your members to sign



Join The EVERY Team

No one church or ministry can move the needle on the lostness of KC alone.
- Gary Kendall, Love KC, Catalyst Gary@lovekc.net

Love KC partners with ministry leaders across the city, in each of the five regions, through a collective approach, to measure the five finish lines of the Great Commission.

The five finish lines of the Great Commission as defined by All America are:
1. Prayer
2. Compassion and Justice
3. Evangelism and Discipleship
4. Bible Engagement
5. Growth of Christian Communities (churches and micro-churches)

Each region is geographically and culturally distinct. The needs and opportunities are different. The EVERY TEAM plan invites leaders to meet once a year in their region to cultivate relationships, pray, measure, listen to the needs and strategize. The same process takes place annually with regional leaders meeting together.

The goal is to pour gas on what is working and replicate it to the other regions in the city at the same time that we identify pain points and rally to support areas of need.

The EVERY TEAM plan was launched January 1, 2022. Joel McGill, All America; Matt Adams, Westside Family Church, Love KC and KC Underground are providing the start-up leadership.
